- Transportation;
- Relocation;
- Impoundment;
- Sterilization;
- Vaccination;

Depthip

- Medical treatment;
- Rescue operations; or
- Any other municipal or administrative action,

the concerned authority, official, contractor, agency, animal-catching team, ABC centre, or veterinary unit is requested to verify the animal's registration status and make reasonable efforts to mandatorily inform :

- 1. GOCAF (Global Organization for Community Animal Freedom Foundation) and/or ;**
- 2. The Registered Caretaker / Rescuer / Feeder.**

RECORD VERIFICATION

Before taking any decision regarding a registered animal, the following information should be verified wherever practicable:

- Registration Number;
- Vaccination Status;
- Sterilization Status;
- Medical Records;
- Caretaker Details;
- Emergency Contact Information;
- Special Welfare or Treatment Notes.

PUBLIC REGISTRY

The status of registered animals may be publicly verified through the GOCAF Registry, QR Code System, or other authorized verification platforms maintained by GOCAF. Municipal authorities, veterinary officers, animal welfare organizations, contractors, and members of the public are encouraged to verify records before taking any action concerning a registered animal.

APPLICABLE LEGAL PROVISIONS

This notice is issued with reference to:

- The Prevention of Cruelty to Animals Act, 1960;
- The Animal Birth Control Rules, 2023;
- Guidelines, advisories, and directions issued by the Animal Welfare Board of India (AWBI);
- Orders and directions issued by the Hon'ble Supreme Court of India and various High Courts concerning community animals and animal welfare.

Under applicable law:

- Community animals or stray animals may only be captured, handled, or transported for lawful purposes such as sterilization, anti-rabies vaccination, medical treatment, rescue, public safety requirements, or other legally authorized actions.

- Sterilized and vaccinated community dogs are required to be returned to their original locality in accordance with the Animal Birth Control Rules, 2023, unless otherwise provided by law.
- Unnecessary removal, abandonment, cruelty, or unauthorized relocation of community animals may attract legal consequences under applicable animal welfare laws.

RESPONSIBILITY AND COORDINATION

GOCAF and its registered caretakers, rescuers, feeders, and volunteers remain committed to cooperating with Municipal Authorities, Veterinary Departments, Animal Husbandry Departments, and Animal Welfare Organizations regarding:

- Animal Birth Control (ABC) Programs;
- Anti-Rabies Vaccination (ARV) Programs;
- Rescue and Emergency Care;
- Medical Treatment and Rehabilitation;
- Public Health and Safety Measures;
- Animal Welfare Compliance.

Municipal authorities are therefore requested to circulate this notice among all concerned departments, contractors, ABC centres, veterinary units, animal-catching teams, and associated agencies for necessary compliance and coordination.

This communication may kindly be acknowledged and placed on official record for future reference.
